Background

The Six Nations Lifelong Learning Taskforce is seeking youth members to establish a Youth Task Force on education at Six Nations. As we work to develop recommendations to the community on a lifelong learning system at Six Nations, we invite our youth to reflect on their own schooling journeys and what they imagine an ideal school should consist of. The Youth Task Force (YTF) will meet monthly to discuss topics such as school culture, effective teaching, memorable lessons and experiences, and home involvement. The work of the YTF will culminate with a symposium to be held in Fall 2021. We seek secondary school (grades 9-12) youth with a variety of interests to ensure we include diverse perspectives in our work. Compensation will be provided to members of the YTF for their time.
